Super IT is here for 2-Step Verification!

Registration:
2. Login using your Downstate email and password as you normally do.
3. You will see the following notice on your screen. Click Next
4. Follow the steps to register your cellphone number.

Note: 2-step verification is required if you need to access your email from outside of Downstate, which includes accessing your account from your mobile devices. Failure to register within 30 days will result in termination of your off campus access to Email and Office 365.
